

# Certificate in ENTREPRENEURSHIP (CIE)

The Certificate in Entrepreneurship (CIE) is a program designed to equip individuals with the knowledge and skills necessary to start and manage a successful business venture. The program is usually offered at the undergraduate level and takes between six months to a year to complete.

The CIE curriculum covers a broad range of topics, including business planning, market research, financial management, marketing, and leadership. Students are also introduced to the legal and ethical considerations involved in entrepreneurship, as well as the challenges and opportunities that come with starting a new business.

Overall, the Certificate in Entrepreneurship is a valuable credential for anyone looking to develop their entrepreneurial skills and pursue a career in business management or entrepreneurship.
